A GREAT DAY AT THE PARK

My name is Arthur and I am 9 years old. I live in England. I live in an apartment in the city. Andrew is my pen pal. He lives in Brazil. He lives on a farm in the country. In summer, when it is hot and sunny, he wears a cap, a T-shirt, shorts and sandals. When it's summer in Brazil, it is winter in England. Andrew's favorite animal is a shark. It lives in the water and it can swim very fast. Sharks can't squeeze other animals and they can't change colors.

Last Saturday was a fantastic day! It was sunny and hot. Andrew and his friends were at the street fair. There were so many things to see and do! There was a little monkey playing the drums. The music was very loud. There were delicious food and drinks. The hot dogs were good. The popcorn was salty and the ice cream was sweet. The orange juice was cold and the tea was hot. The kids were happy! It was a great day!
